## **OBJECTIVE**

Deer Breeding Co-Op Position

## **PROFILE**

I am a dedicated and friendly individual who has a passion for the outdoors. I have experience in natural resources and wildlife management and I am always looking for opportunities to learn more. I am capable of working as a team member, leader, or independently.

## **EDUCATION**

**Bachelor of Science**, Conservation Biology and Management of Fish and Wildlife  
University of Rio Grande, Rio Grande, Ohio

**Associate of Applied Science**, Wildlife Science, Fish and Wildlife Resources  
Hocking Technical College, Nelsonville, Ohio

**Study Abroad/ Internship to Canada**, Hocking College-Haliburton Forest,  
Haliburton, Ontario

- Studied ecology and species composition of native lakes
- Set traps, electro shocked, and collect data on fish species.
- Completed bathometric maps.
- Interpret data to develop management plans and strategies.

## **WORK EXPERIENCE**

**Mota Bonita Lodge - King Ranch**, Encino, Texas

Hunting Guide, September 2008- Present

- Guide oil field executives on hunting trips on 42,000 acres.
- Scout, track, field dress, and call in various large game species.
- Score and age White-tail deer on hoof and officially (B&C, tooth wear).
- Handled hunting dogs during upland bird hunts.
- Performed day to day maintenance on ranch (Including brush control).

**USDA- APHIS- Wildlife Services**, Poland, Ohio

Biological Technician-Rabies Project, May 2008 to September 2008

- Trapped, tagged, handled, and vaccinated different target species.
- Collected detailed biological data.
- Extensive use of maps and GPS.
- Collected brainstems and blood work from specimens.

**Ohio Division of Wildlife- Fairport Fisheries Station**, Fairport, Ohio

Creel Clerk, May 2007 to October 2007

- Collected angler survey data along the east coast of Lake Erie.
- Collected measurements and scale samples.
- Entered survey information into computer models.

## **SKILLS**

- Experienced with topographic maps, bathometric maps, and GPS
- Trained and Experienced with radio telemetry and tracking systems
- Certified First Responder, Woodland Fire Fighter, Chainsaw Operator
- Years of Farming experience
